

Welcome to Vienna

International Meeting in AUSTRIA 12th– 15th July 2010

Art and Culture are one the focus areas of the Culture Circle organization. Our goal of this thematic cluster is to enrich with education programmes with regard to a different culture of teaching and learning, by anchoring art and culture much more firmly within the core curriculum of educational institutions.

The international meeting “LET’S MIX UP: CREATIVITY AND INNOVATION IN ADULT EDUCATION” will address the responsibility for art and culture education in Europe and the different forms that education can take.

The aim of the international meeting is to promote exchange between the European partners in the area of art and culture education on an academic and practical level.
